"A day in the Kitchen" lesson lasts approximately 3.5 hours. You will prepare a four course menu, using the best seasonal products and learn how to make fresh handmade pasta. After the lesson you will be able to relax and dine with the recipes you prepared. You may decide to add the unique "botteghe walk". A short shopping walk in one of Florence's most authentic neighbourhoods, avoiding the tourist packed markets. Together with our Chef you will hunt for produce visiting our small family run butcher, vegetable stall and an unmissable cheese shop, before heading back to the school for your lesson.
